

**INVITATION
FOR
SPONSORS and EXHIBITORS**

17 International Conference
on X-Ray Absorption Fine Structure
22–27.07.2018 • Kraków • Poland

Dear Sir/Madam,

As the chairman of the 17th International Conference on X-Ray Absorption Fine Structure it is my great pleasure to invite your company to sponsor XAFS' international event.

XAFS Conferences have a well - established tradition. The first one was held in 1981, and since 2000 they have been organized every three years, each time in a different part of the World. In 2018, the Central Europe will host it for the first time. It will be in Kraków, the former capital of Poland, the town of the 650 years old Jagiellonian University where on its modern campus the first Polish synchrotron – SOLARIS was built.

The XAFS17 is being organized by the Polish Synchrotron Radiation Society under the auspices of the International X-ray Absorption Society (IXAS) in cooperation with: Synchrotron SOLARIS, Jagiellonian University and the Henryk Niewodniczański Institute of Nuclear Physics Polish Academy of Sciences, under the honorary patronage of the Mayor of the City of Kraków, Rector of the Jagiellonian University and the General Director the Institute of Nuclear Physics PAN in Kraków.

The conference will be focused on recent advances in synchrotron radiation science and technology in the fields of physics, chemistry, materials science, biology and medicine. As the organizers, we will do our best to follow the XAFS tradition by inviting outstanding researchers as keynote lecturers, and by ensuring enough time for stimulated panel discussions. The meeting will be therefore very attractive for experienced researchers wishing to share and discuss novel ideas, and for young scientists alike. The latter will not only receive a unique opportunity to hear from the masters but also to discuss with them their current work and results, not to underestimate an opportunity to establish good scientific liaisons.

Express your interest in sponsoring XAFS and please contact us at xafs2018-exhibition@mazurkas.pl

Yours faithfully,

Prof. Wojciech M. Kwiatek
XAFS17 Chairman

Platinum Sponsor

- Sponsorship of one of the following:
 - IXAS Outstanding Achievement Award (Ed Stern Prize),
 - IXAS Young Scientist Award (Dale Sayers Prize),
 - IXAS Young Scientist Award (Farrel Lytle Prize),
